WITNESSETH:

WHEREAS, JSRE, LLC has executed and filed with the Register of Deeds of Johnson County, Kansas, a plat of the subdivision known as "MELROSE RESERVE"; and

WHEREAS, the lots in such plat will be part of the area to be commonly known as "Melrose Reserve," to-wit:

MELROSE RESERVE, Lots 1 through 50, and Tracts "A", "B", "C" and "D", replat of part of HIGHLANDS AT THE VILLAGE OF ST. ANDREWS, FIRST PLAT, and part of the Southeast Quarter, Section 26, Township 13 South, Range 24 East, in the City of Overland Park, Johnson County, Kansas.

WHEREAS, JSRE, LLC, as the present owner and developer of the above-described lots, desires to place certain restrictions on such lots to preserve and enhance the value, desirability and attractiveness of the development and improvements constructed thereon and to keep the use thereof consistent with the intent of the developer, and all of said restrictions shall be for the use and benefit of JSRE, LLC and its future grantees, successors and assigns;

NOW, THEREFORE, in consideration of the premises contained herein, JSRE, LLC, for itself and for its successors and assigns, and for its future grantees, hereby agrees and declares that all of the above-described lots shall be, and they hereby are, restricted as to their use and otherwise in the manner hereinafter set forth.

1. Definitions. For purposes of this Declaration, the following definitions shall apply:

(a) "Lot" means any lot as shown as a separate lot on any recorded plat or all or part of the Subdivision; provided, however, that if an Owner, other than the Developer, owns adjacent lots (or parts thereof) upon which only one residence has been, is being, or will be erected, then such adjacent property under common ownership shall be deemed to constitute only one "Lot."

(b) "Unit" means collectively (i) one single family residential unit that will be, is being or has been constructed on any Lot and (ii) the portion of the Lot that is allocated to such unit.

(c) "Subdivision" means all of the above-described lots to be part of Melrose Reserve, and all additional property which hereafter may be made subject to this Declaration in the manner provided herein.

(d) "Developer" means JSRE, LLC, a Kansas limited liability company, and its successors and assigns.

(e) "Owner" means the record owner(s) of title to any Unit, including the Developer, and for purposes of all obligations of the Owner hereunder, shall include, where appropriate, all family members and tenants of such Owner and all of their guests and invitees.

(f) "Common Areas" means Tracts A, B and C, and (i) any entrances, monuments, berms, street islands, and other similar ornamental areas and related utilities, lights, sprinkler systems and landscaping constructed or installed by or for the Developer at or near the entrance of any street or along any street, and any easements related thereto, in the Subdivision, (ii) all landscape easements that may be granted to the Developer and/or the Homes Association, for the use, benefit and enjoyment of all owners within the Subdivision, and (iii) all other similar areas and places, together with all improvements thereon and thereto, the use, benefit or enjoyment of which is intended for all of the owners within the Subdivision, whether or not any "Common Area" is located on any Lot.

(g) "Homes Association" means the Kansas not-for-profit corporation to be formed by or for the Developer for the purpose of serving as the homes association for the Subdivision.

(h) "Exterior Structure" means any structure erected or maintained on a Lot other than the main residential structure or any structural component thereof, and shall include, without limitation, any deck, gazebo, greenhouse, doghouse, outbuilding, fence, patio wall, privacy screen, boundary wall, bridge, patio enclosure, tennis court, paddle tennis court, swimming pool, hot tub, pond, basketball goal, flag pole, swing set, trampoline, sand box, playhouse, tree house or other recreational or play structure, and all exterior sculptures, statuary, fountains, and similar yard decor.

The execution or recording of a Certificate of Substantial Completion shall not, by itself, constitute an assignment of any of the Developer's rights to the Homes Association or any other person or entity.

(j) "Approving Party" means (i) prior to the recording of the Certificate of Substantial Completion, the Developer (or its designees from time to time) and (ii) subsequent to the recording of the Certificate of Substantial Completion, the Homes Association (or with respect to Exterior Structures and other matters assigned to it, the Architectural Committee).

(k) "Board" means the Board of Directors of the Homes Association.

(l) "Architectural Committee" means: (i) prior to the Turnover Date, the Developer (or its designees from time to time); and (ii) on and after the Turnover Date, a committee comprised of at least three members of the Homes Association, all of whom shall be appointed by and serve at the pleasure of the Board (subject to the term limitations and other provisions of Section 14 below).

(m) "City" means the City of Overland Park, Kansas.

(n) "Turnover Date" means the earlier of: (i) the date as of which 100% of all of the Lots in the Subdivision (as then composed or contemplated by the Developer) have been sold by the Developer and the residences have been constructed thereon, or (ii) the date of the Developer, in its absolute discretion, selects as the Turnover Date under this Declaration.

2. Use of Land. Except as otherwise expressly provided herein, none of the Lots may be improved, used or occupied for other than private residential purposes. No structure containing more than one living unit may be erected on any Lot. No trailer, outbuilding or Exterior Structure shall at any time be used for human habitation, temporarily or permanently; nor shall any residence of a temporary character be erected, moved onto or maintained upon any of the Lots or any Common Areas or used for human habitation; provided, however, that nothing herein shall prevent the Developer or others (including, without limitation, builders and real estate sales agencies) authorized by the Developer from using trailers or temporary buildings or structures or any residence for model, office, sales, rental or storage purposes during the development and build out of the Subdivision.

3. Building Material Requirements.

(a) Exterior walls of all residences and all appurtenances thereto shall be of stucco, brick, stone or any combination thereof. All exterior louvers shall have gutters and downspouts installed on all sides and be constructed of aluminum. The roof of each home shall be constructed with composite roofing material approved by the Approving Party. Paint colors shall be approved by the Approving Party.

(b) All exteriors, except roofs and natural side walls, shall be covered with a workmanlike finish of two coats of high quality paint or stain. (d) No metal or other pipe shall be exposed on the exterior of any fireplace or fireplace flue, and all fireplace flues shall be capped with a black metal rain cap.

(e) Except as otherwise permitted by the Developer in writing, all residences shall have a house number plate in the style(s) approved by the Developer, which plate shall be located over the front door or adjacent to the side trim of the front door.

(f) All driveways shall be concrete or concrete with brick edge. All private sidewalks shall be concrete or concrete with brick edge. Crushed gravel, asphalt and natural driveways and sidewalks are prohibited. Sidewalk or driveway improvements must be improved by the Approving Party.

No change or alteration in such building plans, specifications, exterior materials, location, elevations, lot grading plans, general landscaping plans or exterior color scheme shall be made unless and until such change or alteration has been submitted to and approved in writing by the Developer or the Architectural Committee, as the case may be. All building plans and plot plans

shall be designed to minimize the removal of existing trees and shall designate those trees to be removed.

(b) Following the completion of construction of any residence or Exterior Structure, no significant landscaping change, significant exterior color change or exterior addition or alteration shall be made thereto unless and until the change, addition or alteration has been submitted to and approved in writing by the Architectural Committee. All replacements of all or any portion of a completed structure because of age, casualty loss or other reason, including, without limitation, roofs and siding, shall be of the same materials, location and elevation as the original structure unless and until the changes thereto have been submitted to and approved in writing by the Architectural Committee.

(c) All final grading of each Lot shall be in accordance with the master grading plan approved by the City, any related grading plan furnished by the Developer for the development phase containing the Lot and any specific site grading plan for the Lot approved by the Developer. No landscaping, berms, fences or other structures shall be installed or maintained that impede the flow of surface water. Water from sump pumps shall be drained away from adjacent residences (actual and future). No changes in the final grading of any Lot shall be made without the prior written approval of the Approving Party and, if necessary, the City. The Developer shall have no liability or responsibility to any builder, Owner or other party for the failure of a builder or Owner to final grade or maintain any Lot in accordance with the master grading plan or any approved lot grading plan or for the Developer not requiring a lot grading plan and compliance therewith. The Developer does not represent or guarantee to any Owner or other person that any grading plan for the Lots that the Developer may approve or supply shall be sufficient or adequate or that the Lots will drain properly or to any Owner's or other person's satisfaction.

6. Set Backs. No residence, or any part thereof (exclusive of porches, porticoes, stoops, balconies, bay and other windows, eaves, chimneys and other similar projections), or Exterior Structure, or any part thereof, shall be nearer the street line than the building set back lines shown on the recorded plan for such Lot; provided, however, that the Approving Party shall have the right to decrease, from time to time and in its absolute discretion, the set back lines for a specific Lot, to the extent they are greater than the minimum set backs required by the City, by filing an appropriate instrument in writing in the office of the Register of Deeds of Johnson County, Kansas.

7. Commencement and Completion of Construction. Unless the following time periods are expressly extended by the Developer in writing, construction of the residence on a Lot shall be commenced within six months following the date of delivery of a deed from the Developer to the purchaser of such Lot and shall be completed within nine months after such commencement. In the event such construction is not commenced within such six-month period (or extension thereof, if any), the Developer shall have, prior to commencement of construction, the right (but not the obligation) to repurchase such Lot from such purchaser at its original sale price. If such repurchase right is exercise by the Developer, the Owner of the Lot in violation of

this construction commencement provision shall not be entitled to reimbursement for taxes, interest or other expenses paid or incurred by or for such Owner.

8. Exterior Structures.

(a) No Exterior Structure shall be erected upon, moved onto or maintained upon any Lot except (i) strictly in accordance with and pursuant to the prior written approval of the Architectural Committee as to the applicable building plans, specifications, exterior materials, location, elevations, lot grading plans, landscaping plans and exterior color scheme and (ii) in compliance with the additional specific restrictions set forth in subsection (b) below or elsewhere in this Declaration; provided, however, that the approval of the Architectural Committee shall not be required for (i) any Exterior Structure erected by or at the request of the Developer or (ii) any Exterior Structure that (A) has been specifically approved by the Developer prior to the issuance of a temporary or permanent certificate of occupancy as part of the residential construction plans approved by the Developer and (B) has been built in accordance with such approved plans.

Fencing maintenance is the responsibility of the homeowner. In the event that a homeowner allows their fence to deteriorate to an unsightly stage or condition, by the opinion of the Developer, Architectural Committee or Homes Association, the homeowner will be requested in writing to change the condition of the fence immediately. If the homeowner does not adhere to the written request within 60 days of the delivered request. The Developer, Architectural Committee or Homes Association has the right to change the condition of the fence at the expense of the homeowner and charge the expense to the homeowner's monthly dues.

(ii) All basketball goals shall be permanently installed, free standing and not attached to the residence unless the Architectural Committee determines that there are compelling reasons for the basketball goal to be attached to the residence. All backboards shall be transparent and all poles shall be a black color. There shall be only one basketball goal per Lot. The Board shall have the right to establish reasonable rules regarding the hours of use of basketball goals and any such rules shall be binding upon all of the Lots and the Owners.

(a) Except as otherwise provided in Section 2 above, no residence or Exterior Structure, or any portion thereof, shall ever be placed, erected or used for business, professional, trade or commercial purposes on any Lot; provided, however, that this restriction shall not prevent an Owner from maintaining an office area in his residence in accordance with the applicable ordinances of the City.

(b) No noxious or offensive activity shall be carried on with respect to any Unit; nor shall any grass clippings, trash, ashes or other refuse be thrown, placed or dumped upon any Unit or Common Area; nor shall anything be done which may be or become an annoyance or a nuisance to the Subdivision, or any part thereof. Should any part or all of the restriction set forth in the preceding sentence be held by a court of competent jurisdiction to be unenforceable because it violates the First Amendment or any other provision of the United States Constitution, the Architectural Committee shall have the right to establish rules and regulations regarding the location, size, landscaping and other aesthetic aspects of such projections so as to reasonably control the impact of such projections on the Subdivision, and all parts thereof, and any such rules and regulations shall be binding upon all of the Units. Notwithstanding any provision in this Declaration to the contrary, small satellite dishes (maximum 20 inches in diameter) may be installed, with the prior written consent of the Approving Party, so as not to be readily visible from the street. A majority of the members of the Architectural Committee shall constitute a quorum for the transaction of business at a meeting and every act or decision made by a majority of the members present at a meeting at which a quorum is present shall be regarded as the act or decision of the Architectural Committee.

(c) At each meeting, the Architectural Committee shall consider and act upon written and complete applications that have been submitted to it for approval in accordance with this Declaration. In making its decisions, the Architectural Committee may consider any and all aspects and factors that the individual members of the Architectural Committee, in their absolute discretion, determine to be appropriate to establish and maintain the quality, character and aesthetics of the Subdivision, including, without limitation, the building plans, specifications, exterior color scheme, exterior materials, location, elevation, lot grading plans, landscaping plans and use of any proposed Exterior Structure. All decisions of the Architectural Committee shall be in writing and delivered to the applicant, who shall be responsible for keeping the same. The Architectural Committee may establish in advance and change from time to time certain procedural and substantive guidelines and conditions that it intends to follow in making its decisions. Any written application, complete with appropriate drawings and other information, that is not acted upon by the Architectural Committee within 35 days after the date on which it is filed shall be deemed to have been approved.

(d) After the Turnover Date, any applicant or other person who is dissatisfied with a decision of the Architectural Committee shall have the right to appeal such decision to the Board provided such appeal is filed in writing with a member of the Board within seven days after the date the Architectural Committee renders its written decision. In making its decisions, the Board may consider any and all aspects and factors that the individual members of the Board, in their absolute discretion, determine to be appropriate to establish and maintain the quality, character and aesthetics of the Subdivision, including, without limitation, the building plans, specifications, exterior color scheme,

exterior materials, location, elevation, lot grading plans, landscaping plans and use of any proposed Exterior Structure. Any decision rendered by the Board on appeal of a decision of the Architectural Committee shall be final and conclusively binding on all parties and shall be deemed to be the decision of the Architectural Committee for all purposes under this Declaration. The Board from time to time may adopt, amend, revoke rules and regulations respecting appeals of decisions of the Architectural Committee, including, without limitation, requiring payment of a reasonable fee by the appealing party.

15. No Liability for Approval or Disapproval. Neither the Developer, nor the Homes Association, nor any member of the Architectural Committee or the Board shall be personally liable to any person for any approval, disapproval or failure to approve any matter submitted for approval, for the adoption, amendment or revocation of any rules, regulations, restrictions or guidelines or for the enforcement of or failure to enforce any of the restrictions contained in this Declaration or any other declaration or any such rules, regulations, restrictions or guidelines.

16. Covenants Running with Land; Enforcement. The agreements, restrictions, reservations and other provisions herein set forth area, and shall be, covenants running with the land and shall be binding upon all subsequent grantees of all parts of the Subdivision. The Developer, and its successors, assigns and grantees, and all parties claiming by, through or under them, shall conform to and observe such agreements, restrictions, reservations and other provisions; provided, however, that neither the Developer, the Homes Association nor any other person or entity shall be obligated to enforce any such agreements, restrictions, reservations or other provisions. By accepting a deed to any of the Units or Lots, each future grantee of any of the Units and Lots shall be deemed to have personally consented and agreed to the agreements, restrictions and reservations set forth herein as applied to the Unit or Lot owned by such Owner. No agreement, restriction, reservation or other provision herein set forth shall be personally binding upon any Owner except with respect to breaches thereof committed during his ownership; provided, however, that (i) the immediate grantee from the builder of the residence on a Unit shall be personally responsible for breaches committed during such builder's ownership of such Unit and (ii) an Owner shall be personally responsible for any breach committed by any prior Owner of the Unit to the extent notice of such breach was filed of record, as provided in the third paragraph of this Section 16, prior to the transfer of ownership.

The Developer, the Homes Association and each Owner shall have the right (but not the obligation) to sue for and obtain an injunction, prohibitive or mandatory, to prevent the breach of or to enforce the observance of the agreements, restrictions, reservations and other provisions herein set forth, in addition to any action at law for damages. To the extent permitted by law, if the Developer or the Homes Association shall be successful in obtaining a judgment or consent decree in any such court action, the Developer and/or Homes Association shall be entitled to receive from the breaching party as part of the judgment or decree the legal fees and expenses incurred by the Developer and/or Homes Association with respect to such action.

Whenever the Developer or the Board determines that a violation of this Declaration has occurred and is continuing with respect to a Unit, the Developer or the Homes Association may file with the office of the Register of Deeds of Johnson County, Kansas, a certificate setting forth public notice of the nature of the breach and the Unit involved.

No delay or failure by any person or entity to exercise any of its rights or remedies with respect to a violation of this Declaration shall impair any of such rights or remedies; nor shall any such delay or failure be construed as a waiver of that or any other violation.

No waiver of any violation shall be effective unless in writing and signed and delivered by the person or entity entitled to give such waiver, and no such waiver shall extend to or affect any other violation or situation, whether or not similar to the waived violation. No waiver by one person or entity shall affect any rights or remedies that any other person or entity may have; provided, however that a duly authorized, executed and delivered waiver by the Homes Association, acting upon a decision of the Board, respecting a specific violation shall constitute and be deemed as a waiver of such violation by all other persons and entities (other than the Developer).

17. Assignment of Developer's Rights. The Developer shall have the right and authority, by appropriate agreement made expressly for that purpose, to assign, convey and transfer to any person(s) or entity, all or any part of the rights, benefits, powers, reservations, privileges, duties and responsibilities herein reserved by or granted to the Developer, and upon such assignment the assignee shall then for all purposes be the Developer hereunder with respect to the assigned rights, benefits, powers, reservations, privileges, duties and responsibilities. Such assignee and its successors and assigns shall have the right and authority to further assign, convey, transfer and set over the rights, benefits, powers, reservations, privileges, duties, and responsibilities of the Developer hereunder.

18. Release or Modification of Restrictions.

(a) The provisions of this Declaration shall remain in full force and effect until December 31, 2035, and shall automatically be continued thereafter for successive periods of five years each; provided, however, that the Owners of at least a majority of the Units within the Subdivision as then constituted may release the Subdivision, from all or part of such provisions as of December 31, 2035, or at the expiration of any extension period, by executing (in one or more counterparts), acknowledging and recording an appropriate agreement in writing for such purpose, at least one year prior to December 31, 2035, or to a subsequent expiration date, whichever is applicable. The provisions of this Declaration may be amended, modified or terminated, in whole or in part, at any time by a duly acknowledged and recorded written agreement (in one or more counterparts) signed by (i) the Owners of at least two thirds (2/3) of the Lots within the Subdivision as then constituted and (ii) if prior to the recording of the Certificate of Substantial Completion, the Melrose Reserve Homes Association.

(b) Anything set forth in this Section 18 to the contrary notwithstanding, the Developer shall have the absolute, unilateral right, power and authority to modify, revise, amend, change or add to any of the terms and provisions of this Declaration, as from time to time amended or supplemented, by executing, acknowledging and recording an appropriate instrument in writing for such purpose, if (i) either the Veteran's Administration or the Federal Housing Administration or any successor agencies thereto

shall require such action as a condition precedent to the approval by such agency of the Subdivision or any part of the Subdivision or any Unit in the Subdivision, for federally-approved mortgage financing purposes under applicable Veteran's Administration or Federal Housing Administration or similar programs, laws and regulations, or (ii) the City requires such action as a condition to approval by the City of some matter relating to the development of the Subdivision.

(c) If the rule against perpetuities is applicable to any right, restriction or other provision of this Declaration, such right, restriction or other provision shall terminate (if not earlier terminated) upon lapse of 20 years after the death of the last survivor of the now-living children and grandchildren of the individual signing this Declaration on behalf of the Developer as of the date of such execution.

19. Extension of Subdivision. The Developer shall have, and expressly reserves, the right, from time to time, to add to the existing Subdivision and to the operation of the provisions of this Declaration other adjacent or nearby lands (without reference to any street, park or right-of-way) by executing, acknowledging and recording an appropriate written declaration or agreement subjecting such land to all of the provisions hereof as though such land had been originally described herein and subjected to the provisions hereof; provided, however, that such declaration or agreement may contain deletions, additions and modifications of the provisions of this Declaration applicable solely to such additional property as may be necessary or desirable as solely determined by the Developer in its discretion.

20. Waiver of Claims. To the extent the Subdivision is the subject of a Transportation Development District Ordinance and related agreements between the Developer and the City, each Owner, for itself and all future grantees of any Units or Lots, and their successors and assigns, hereby:

(a) waives any and all claims or causes of action against the City or any other party, for or relating to special assessments levied against any portion of the Units or Lots, or thoroughfare right-of-way dedicated or condemned for any adjacent road from any plat containing the Units or Lots or otherwise condemned for any adjacent road, including any such case for thoroughfare construction with respect to any of the Units or Lots or the platting thereof; and

(b) waives any right to institute any proceeding against the City or any other party for any claim or cause of action for damages, injunctive relief, refund, expenses or injury to persons or property arising out of the payment of money or the dedication of any right-of-way or other transportation district improvements, all pursuant to the Transportation Development District Ordinance and related agreements by and between the Developer (or any prior owner of the land now constituting the Lots) and the City, or arising out of compliance by any party with any of the terms and conditions of such Transportation Development District Ordinance.

21. Severability. Invalidation of any of the provisions set forth herein, or any part thereof, by an order, judgment or decree of any court, or otherwise, shall not invalidate or affect any of the other provisions or parts.

IN WITNESS WHEREOF, the Developer has caused this Declaration to be duly executed the day and year first above written.
